Personal Profile

Junior Web Developer holding Master's Degree in Art Museum & Gallery Studies. I learnt front-end skills from bootcamp and self-teaching. The beginning of this year I developed an interest of coding, enjoy building websites, specialise in React, Typescript, Tailwind CSS, Sass, HTML, CSS, and JavaScript, I also enjoy doing database like MongoDB, I have many years working experience in Administration, Sales, Customer Service and PA roles. I have excellent communication and teamwork skills, which I can bring to the team, I am a highly motivated individual, with an ability to work well under pressure in meeting deadlines and in fast paced environments.

Computer Skills

HTML, CSS, SASS, Javascript, Typescript, React, MongoDB, Git, Next.js, Microsoft Office, ERP.
